

# SEALAND COMMUNITY COUNCIL

## COMMUNITY SPEED WATCH

Excessive speed through neighbourhoods is one of the most common issues raised with Councillors and has an impact not only on road safety but on the quality of life for those residents that endure it.

This scheme enables volunteers to work within the Sealand community to raise awareness of the dangers of speeding and to help control the problem locally.

The Sealand Community Speed Watch seeks to promote safer driving in our community by educating rather than prosecuting individuals.

Community Speed Watch requires a group of at least two trained volunteers to operate.

For more information please go to -
